Work Experience

Web Designer/Developer

DVRS - Atlanta, GA
September 2020 to Present

I am the web developer and designer for DVRS. A digital marketing company based in Atlanta, Georgia. I am currently doing front-end design for the website atlantasfirstrealty.com

Web Developer/Designer

EverythingVR - Atlanta, GA
February 2020 to Present

I created and designed the website www.everythingvr.com using Wordpress. I also maintain the website and provide graphic content.

Owner/Lead Developer

FluxFire LLC - Atlanta, GA
May 2012 to Present

I am the sole owner and sole developer at my company FluxFire LLC. I regularly upload Iphone apps and games to the app store, using my knowledge of Object-c and Swift.

Web Designer/Graphic Designer

Market Urbanism Report - Manhattan, NY
May 2020 to September 2020

I am the main designer the website www.marketurbanismreport.com. I designed the website, the social media content, marketing content, doing edits to photos, and creating imagery using the programs Adobe Photoshop and Adobe Illustrator.

Mortgage Loan Officer

PRMG Mortgage - Altamonte Springs, FL
March 2017 to February 2020

I was a Junior Loan Officer paid by commission for generating business, understanding the laws and regulations regarding residential and commercial loan's. It was my job to make sure the client was informed and well served.

Web Developer/Programmer

FinanceWithKingg - Altamonte Springs, FL
May 2015 to February 2020

I created the website for www.FinanceWithKingg.com and also maintained it. Providing updates and new features. I also provided online marketing for the company via facebook pixel.
